Sarva Mangalam!

His Eminence the 4th Tsikey Chokling Mingyur Dewey Dorje Rinpoche was recognized and enthroned as the authentic reincarnation of Chokgyur Lingpa by His Holiness the 16th Karmapa. As one of the chief discoverers of Guru Padmasambhava's hidden Dharma treasures, Chokgyur Lingpa revealed the Chokling Tersar cycle of Vajrayana practices and direct instructions, now widely practised by the Kagyu and Nyingma schools. Chokgyur Lingpa and the non-sectarian masters Jamyang Khyentse Wangpo and Jamgon Kongtrul Lodro Thaye were renowned as the Three Manjushris of the lightning quick Vajrayana path.

Rinpoche has completed an arduous education at Rumtek Monastery in Sikkim under the guidance of numerous outstanding Buddhist masters headed by His Holiness himself. Among Rinpoche's long list of illustrious teachers are Kyabje Dilgo Khyentse Rinpoche, Kyabje Dudjom Rinpoche, Kyabje Tulku Urgyen Rinpoche, Kyabje Trulshik Rinpoche, Kyabje Kalu Rinpoche, Nyoshul Khen Rinpoche and Palyul Khenchen Tenzin Zangpo Rinpoche.

Rinpoche is now presiding as the Vajra King, responsible in particular for all the religious rituals of the Ka-Nying Shedrub Ling Monastery, its branches and affiliated centres worldwide. Rinpoche is naturally jovial, always compassionate and gentle; yet he is an outstanding Dzogchen teacher who can reach directly into our hearts and minds to skillfully guide us on the path to liberation.

**ZANGDOK PALRI :
THE GLORIOUS COPPER-COLOURED MOUNTAIN**

Zangdok Palri, the Glorious Copper-Coloured Mountain, is the pure land of Guru Rinpoche, the ‘second Buddha’ and the great tantric master who brought Buddhism to Tibet. The outer Zangdok Palri is a majestic place, full of wisdom, power and blessings, where one can be reborn with favourable qualities to progress swiftly on the path to enlightenment.

The palace in Zangdok Palri is based on an eight-sided jewel and a thousand-petaled lotus, with four gates, four arches and eight pillars. In the four directions are walls made of precious substances – crystal in the east, lapis lazuli in the south, ruby in the west and sapphire in the north. It has three levels. The Dharmakaya (top) level is Buddha Amitayus, the Sambhogayaka (middle) level is four-armed Avalokiteshvara, and the Nirmanakaya (bottom) level is Guru Rinpoche.

*I am never far from those with faith,
Or even from those without it,
Though they do not see me.
My children will always, always,
Be protected by my compassion.*

- Guru Rinpoche’s parting words to Yeshe Tsogyal

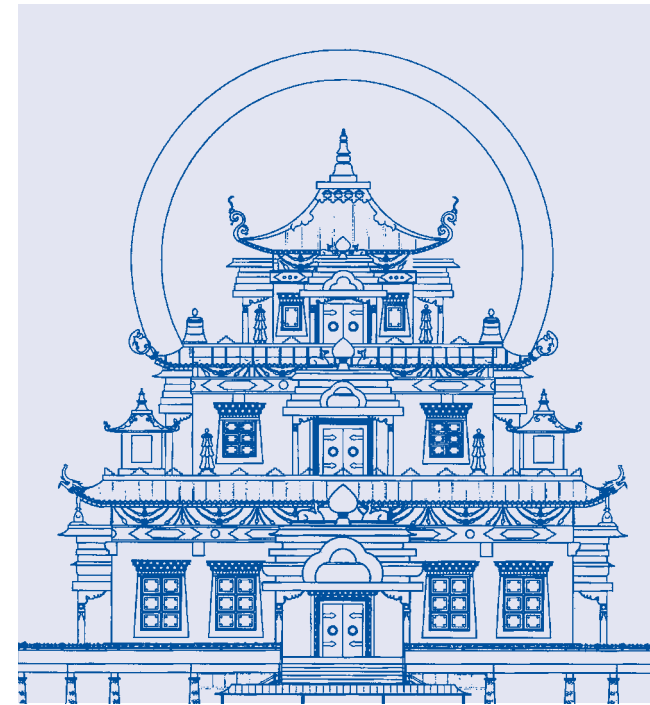

**CHOKGYUR LINGPA :
JOURNEYS TO ZANGDOK PALRI**

Before leaving Tibet, Guru Rinpoche hid many teachings that were to be revealed for the benefit of sentient beings in the future by 108 great tertöns (or Great Treasure Revealers). Chokgyur Lingpa was the last of Guru Rinpoche’s prophesized 108 Great Treasure Revealers, embodying all the blessings and enlightened activities of the preceding 107 Great Treasure Revealers. During his lifetime, Chokgyur Lingpa personally visited the Glorious Copper-Coloured Mountain three times. During his visits, he received teachings, transmissions and blessings directly from Amitayus, Avalokiteshvara, Guru Rinpoche and Yeshe Tsogyal. In one of his visits, the dakinis said to him,

“Son of noble family, without forgetting a single detail, keep these displays of the pure realm in your heart. In the future, whoever sees, hears, thinks of this, or makes supplication, will take birth in the pure realm of Lotus Light on the Glorious Mountain [Zangdok Palri] to the southwest, or be benefited in other ways. It will definitely benefit whoever connects with it.”

**HIS EMINENCE
4TH TSIKEY CHOKLING RINPOCHE’S VISION**

His Eminence Tsikey Chokling Rinpoche, was enthroned as the authentic reincarnation of the Great Treasure Revealer Chokgyur Lingpa by His Holiness the 16th Karmapa. In accordance with his own prophetic dream and the heart advice of his root guru, His Holiness Dilgo Khyentse Rinpoche, Chokling Rinpoche is now building an outer representation of Zangdok Palri in Vajravarahi, Kathmandu, Nepal. As Zangdok Palri is the focal point of Guru Rinpoche’s realisation, it would be of great benefit for the peace and happiness of the world, for the long lives and activities of all the great Tibetan Buddhist masters and the flourishing of the precious teachings of the Buddha. It is a supreme place of liberation through seeing, and accumulation of merit through offerings.

“For the benefit of preserving and propagating the precious Buddhadharma, liberating each and every sentient being in this age of degenerations, and ensuring the good health, long lives and bountiful activities of all the venerated Masters, I hope that all of you will strive to create a powerful link with this undertaking.”
